WE'RE HERE TO HELP Survivors of Homicide

ABOUT THE PROGRAM

We aid survivors in realizing justice for their loved one.

The Center for Violence Prevention offers an advocate to provide information on the criminal justice process, which includes assistance with probate, guardianship, and wrongful death to help survivors navigate through the courtroom experience.

Media assistance is offered to ensure privacy of survivors and to assist the family with appropriate media interaction.

SERVICES

- **Advocacy • Crisis counseling • Grief support • Safety planning**
- **Trauma therapy • Support groups • Transportation**
- **General case management • Referrals**
